

The Francophone Chamber of Commerce of Los Angeles and Orange County (FCCLAOC) is proposing intern programs to assist in its internal Operations in a multitude of activities (business development, research, Business plans, international commerce...etc)

Through this non-paid position, interns will learn how to navigate Business structures within the Francophone-American community in Southern California and will have periodic contacts with activities in France and francophone countries.

Interns will preferably be 3rd or 4th year undergraduates or Graduate students with an interest in the fields of marketing, Communications, international business, Business Development, eCommerce, Law, Tax or Finance. They will have an opportunity to tailor some of their own programs.

FCCLAOC offers a fun and friendly environment with the opportunity to practice French.
The Chamber hosts 1-2 events per month which the interns will be able to attend for free.

Some working knowledge of French is useful but not mandatory
Flexible hours: between 16-40 hrs per week
